Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Tuesday 24 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear or sunny spells inland, northern and western coasts cloudier.

This Evening and Tonight:
Plenty of evening sunshine followed by a clear night for most. However, low cloud and fog forming around some coasts, this most extensive across Lewis, Harris and the north coast where it will spread inland overnight. Light winds. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Low cloud and mist will begin to burn back towards the coasts during the morning but will be persistent around the north coast. Warm sunshine during the afternoon inland. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Another cloudy start on Thursday but fresher, brighter conditions will spread west with plenty of sunshine later and on Friday. Low cloud tends to return in the west on Saturday.
